Patrick,
Could you send me the draft comment letter as an attachment? The sharepoint site isn't allowing me access.
Thanks.

Beverly

Beverly and Leah (and Cara):

I have completed my first review of EPA's draft comment letter on the Pebble Project FEIS. The document can be found at the SharePoint link included in the email message below. Subject: Pebble FEIS Draft Comment Letter for Review

Hi everyone,

The Pebble FEIS draft comment letter is attached and on the Pebble Team Sharepoint site [here](#) for your review. Please complete your review and comments by Tuesday, August 11.

We request receiving comments in track changes on the Sharepoint version to facilitate version control and comment consolidation given the large number of reviewers. If Sharepoint doesn't work, please email comments to Molly Vaughan and Patty McGrath. If you encounter Sharepoint access issues, please let me know and I can try to resolve them.

As a reminder, given the short timeframe available for this FEIS review, the internal schedule compresses multiple levels of review into a single three-day window, including both Region 10 and HQ programs as well as legal review. HQ reviewers -- please note the attached email from Cindy Barger sent yesterday regarding review coordination.

Thanks,
